

PARTNERSHIP AGREEMENT/CONTRACT
BETWEEN
PADUCAH CATHOLIC COMMUNITY FAITH FORMATION
AND

The Family of: _____

- 1) We promise to make prayer a part of our family life and experience at home and strive for an awareness of Christ's presence at the center of our family life. We'll help each other memorize certain prayers and faith-related concepts and understand what they mean. We'll encourage each other to pray daily, and we'll provide means within our household to make that possible, such as the Bible, prayer books, sacred spaces, occasional quiet times, and signs of our faith. Every night before bed, we'll pray together as a family and offer one another a simple blessing: "Good night. God bless you. I love you."
- 2) We promise to be always present and participate actively in the life of our local parish, celebrating Mass as a family on Sundays and holy days, and joining in other special activities. After Mass, we'll continue to observe Sunday as a "day off" from regular life. For example, we will postpone shopping and work as much as possible and try to do something together as a family, such as a meal, which extends the celebration of the Mass into the rest of our lives.
- 3) We promise to get actively involved in Faith Formation by coming to each of my children's classes one Wednesday evening per semester, volunteering occasionally to help the classroom or assist with service projects and special celebrations, or with whatever the catechist wants help with. *We also have marked the attached sign-up sheet on page 3 to show how we commit to doing other things to help Faith Formation this year.*
- 4) Wednesday evening is set aside only for Faith Formation classes. We promise to make this a priority. We also promise that our children and teens attend Faith Formation classes regularly. If there are times they would be absent, we will inform the office promptly.
- 5) We promise to seek sacramental preparation through our local parish when our children are ready to become more fully initiated into the Church.
- 6) We understand that the celebration of the sacrament of Confirmation is **not** the end of Faith Formation classes for my son or daughter. We promise to ensure and encourage that our children and teens attend Faith Formation classes regularly after they have become a confirmed member of our Catholic community.
- 7) We promise to inform the Director of Faith Formation and Catechists of any issues that may arise which will affect the faith-life of our children, and to keep in touch with the Catechists concerning our children's ongoing growth in faith.
- 8) We promise to work with our children's Catechists to deal with discipline problems, and seek consultation with the Director of Faith Formation should concerns arise which need to be addressed.
- 9) We promise to reach out to people in our Faith Formation Family whom we do not particularly know. We promise to avoid gossip, to spend effort and time to know these people better, to help, support, affirm and encourage them.
